July 20 – 21, 2017

OR

August 17 – 18, 2017

Thursday
&
Friday

Cost: \$245

Students will learn how to tighten loose inner hinges, repair corners, stiffen endcaps, and repair split outer joints on both cloth and leather bindings. Students will also practice techniques for dyeing and toning discolored areas on cloth and leather bindings. This course serves as the first step in our workshops on book restoration.

Handouts for workshop include full sets of directions for all techniques taught, a list of supplies and suppliers, samples of materials, and a bibliography.
