

Advanced Clamshell Box Making Workshop

“THE ROUNDED SPINE”

School for Bookbinding Arts

at Cat Tail Run Hand Bookbinding

Dates set based on course demand

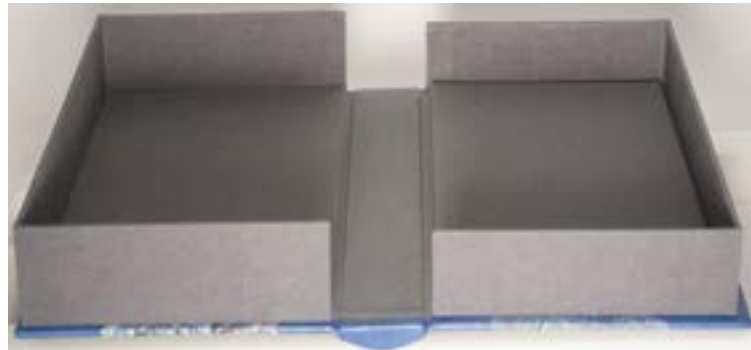

The titling and tooling of clamshell boxes, such as the one above, will be discussed as part of class.

COURSE OVERVIEW:

- A quick refresher on the regular clamshell box construction
- Students will construct a clamshell with a rounded, leather-covered spine
- Students will receive instruction on making a clamshell with a flat, leather-covered spine
- Instruction on a variety of tray structures:
 - Lower tray with partial 4th side
 - Lower tray with complete 4th side
 - Double-wall sides (to house heavy books)

A two-day class

Please note: Our Clamshell Box Making workshop is a prerequisite for this course.
