

# Advanced Leather Binding Restoration Workshop

## School for Bookbinding Arts at Cat Tail Run Hand Bookbinding

### “THE LEATHER REBACK”

**April 11 – 12, 2019    Cost: \$295**

Thursday  
&  
Friday

*The leather reback process restores the spine area of a deteriorating binding. During a reback, new matching leather is brought in under the original binding material. In the class, students will pare the rebacking leather so that it leaves no lump when it is in place in the restored binding. The photos above show a book prior to and after receiving a leather reback. Prerequisite: **Introduction to Book Restoration**.*
