The dipping of the scarf begins!

Fabric marbling is an art and a passion for guest instructors Regina & Dan St. John who will teach you how to turn blank cloth into marbled magic.

They did it!

During class, students will marble hankies, neckties, and scarves. Students may also marble their own yardage of cotton, linen, or silk.

So come join us for the Art of Fabric Marbling. The St. Johns are experts in this exquisite art form that will completely change your craft game.
